Peter Rochaix	YES		NO		YES	Extremely happy with sailing races and organisation.	NO		Only wish we had more marina space at marina to pick up crew on race afternoon day
Andy Chilton	YES		YES	Use Cronulla fixed mark more then two less bouy to pick up	YES		NO		
Ralph Skelton	YES		NO		YES		YES	The changes in times should be larger for winning or losing	
Jim Lupton	YES		NO		YES		NO		System seems to be working although tweaks can always be made.
David Newton	YES		NO		YES		NO		
Pied Piper	YES		NO		YES		NO		
Windsong	YES		NO		YES		NO		
if it fits	YES		NO		YES		NO	Look at the point scores. point scores are for consistency.	look at the drops . monthlies no drop
Juggernaut	YES		NO		YES		NO		
Kite Runner	YES		NO		YES		NO		

Jim What tweeks can be suggested?

Andy There is only one fixed mark that we can use. We use this in East and West winds, maybe it can be used in North and South winds? Maybe we could use the port pile as the other end of the starting line? We can't use navigation marks as rounding buoys.

Ralph If changes in time should be larger, can we have some suggestions, given 3 minutes can take a boat from first to last? Race lasts on average 90 minutes for slowest boats 3 minutes max adjustment is a change of 3.3% for slowest boats and a 5% change for the fastest boats. Boats should be able to sail within 3% of their nominal handicap. 3 minutes for 1st seems about right.

Ian Quote (roughly) "Meat trays are for winners", "Monthly series for consistency - no drops" , "Let handicap system take care of non finishes". JB - Drops introduced in Summer series only due to many non finishes due to sunset rule. No drops will be used in all monthly series.

Andy Chilton	YES		YES		YES		YES		John, just for the record, you do an outstanding job
David Newton	YES		YES		YES		YES		
Pied Piper	YES		NO	We only have two courses in Bate Bay we could use the three BH KW and Seamark to more variation	YES		YES		
Kite Runner	YES		YES		YES		YES		

Tony We actually have six courses in Bate Bay. We could rename "Short and Long" to "Summer and Winter" for longer Summer courses.

Rex Position of buoys in the estuary - see attached.

Question Should we reduce the races in Winter to 6 for boats travelling north?

Question Should we rename short and long to Summer and Winter. This will provide a longer course in summer? (See Tony)

Question Can we improve on the calculation for Club Champion. Please offer alternatives.
